ELPHABA: Who knows? Maybe someday...

Tenderly

ELPHABA: You're the only friend I've ever had.

GLINDA: And I've had so many friends. But only one—that mattered.

I've heard it said that people come into our lives for a reason, bringing something we must learn. And we are led to those who...
help us most to grow, if we let them, and we help them in return.

Well, I don't know if I believe that's true, but I

know I'm who I am today because I knew you.

Like a comet pulled from orbit as it passes a sun, like a
stream that meets a boulder halfway through the wood.

Who can say if I've been changed for the better? But because I knew you.

Rit.

I have been changed for good.

ELPHABA:

It well may be that we will never meet again in this
life-time, so let me say before we part: So much of me is made of

what I learned from you, You'll be with me like a

hand-print on my heart. And now whatever way our stories end, I

know you have rewritten mine by being my friend...
Like a ship blown from its mooring by a wind off the sea,
Like a seed dropped by a skybird in a distant wood,

Who can say if I've been changed for the better? But because I knew you...

GLINDA: Because I knew you...

BOTH: I have been changed for
ELPHABA:

And just to clear the air, I ask for:

giveness for the things I've done you blame me for:

GLINDA:

But then, I guess we know there's blame to share, and

ELPHABA:

and
none of it seems to matter anymore...
